Implied warranties, such as warranties of merchantability, are excluded. (An implied warranty of merchantability means that the part is reasonably fit for the general purpose for which it was sold.) The entire risk as to quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair. Chrysler, Dodge, Jeep, and Ram vehicle and parts warranties are voided if the vehicle or parts are used for competition. The addition of performance parts does not by itself void a vehicle’s warranty. However, added performance parts (parts not originally supplied on the vehicle from the factory) are not covered by the vehicle’s warranty, and any failure that they may cause is not covered by the vehicle’s warranty.

Direct Connection Limited Warranties do not cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time, inconvenience, the loss of the use of your vehicle, the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by FCA US LLC, as set forth in the New Vehicle Limited Warranty. If your New Vehicle Limited Warranty is restricted by FCA US LLC, coverage under your Direct Connection Parts and Accessories Limited Warranties may also be restricted or denied.

EMISSIONS STATEMENT

Direct Connection Performance customers are responsible for complying with applicable federal state and local environmental laws and regulations. Many Direct Connection Performance Parts and components are designed to be equipped in vehicles that are operated not on streets or highways (such as vehicles intended for competition or off-road use). Motor vehicles designed for transport on streets or highways and equipped with such parts may cause such motor vehicles to be out of compliance with applicable emissions standards. It may be a violation of federal and state law to operate such motor vehicles equipped with such parts, except where vehicles equipped with such parts are operated not on streets or highways and where such vehicles lack features customarily associated with safe and practical highway use.

If you install such parts on a motor vehicle, and your motor vehicle fails a required state or local inspection and maintenance (I/M) emissions test, including any test required to maintain or renew your motor vehicle's registration, or if your motor vehicle is subject to an emissions recall, in either case, FCA US LLC may not be required to repair your motor vehicle under the emissions warranty, and you may be required to remove those parts and replace them with other parts at your own expense in order to obtain repairs necessary to pass the I/M emissions test or to ensure your motor vehicle is compliant with applicable emissions standards after the recall repair.

HOW TO OBTAIN WARRANTY SERVICE

Where both parts and labor are covered in warranty items, repair will be made by any Dodge Power Brokers Dealership at no charge. Where parts only are covered, the Dodge Power Brokers Dealership will provide replacement parts at no charge. It is recommended that vehicles be taken to the selling dealership or to the dealer who sold or installed the Direct Connection Performance part or accessory. However, replacement parts or service under warranty may be obtained from any authorized Dodge Power Brokers Dealership.

WHAT IS NOT COVERED:

Direct Connection warranties cover neither non-FCA US LLC or non-Direct Connection Parts, components or equipment. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of any non-FCA US LLC or non-Direct Connection Parts, equipment, materials or additives.

Direct Connection warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence or misuse (for example: driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which parts are installed; or corrosion or damage caused by the use of caustic materials.

Direct Connection warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

Direct Connection warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owners Manual.

Direct Connection warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

Direct Connection warranties do not apply to parts installed on a vehicle that has had its odometer or emissions systems tampered with or disconnected, or that has been declared a total loss by any insurance company, or is rebuilt after being declared a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. FCA US LLC will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in this paragraph.

Direct Connection Limited Warranties do not cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by FCA US LLC, as set forth in the New Vehicle Limited Warranty. If your New Vehicle Limited Warranty is restricted by FCA US LLC, coverage under your Direct Connection Parts Limited Warranties may also be restricted or denied.

OTHER TERMS:

To the extent allowed by law, any implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the duration of these express warranties. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. These warranties are the only express warranties made by FCA US LLC for Direct Connection Parts. Except where prohibited by law, this warranty is the sole and exclusive remedy. No person, including a dealer or employee of FCA US LLC, has the authority to vary or change these warranties. Michigan law governs this warranty to the extent allowed by law. Interpretation of the terms of this warranty must be done using Michigan law. These limited warranties give you specific legal rights and you may also have other rights which vary from state to state.
